JOANNE PILGRIM

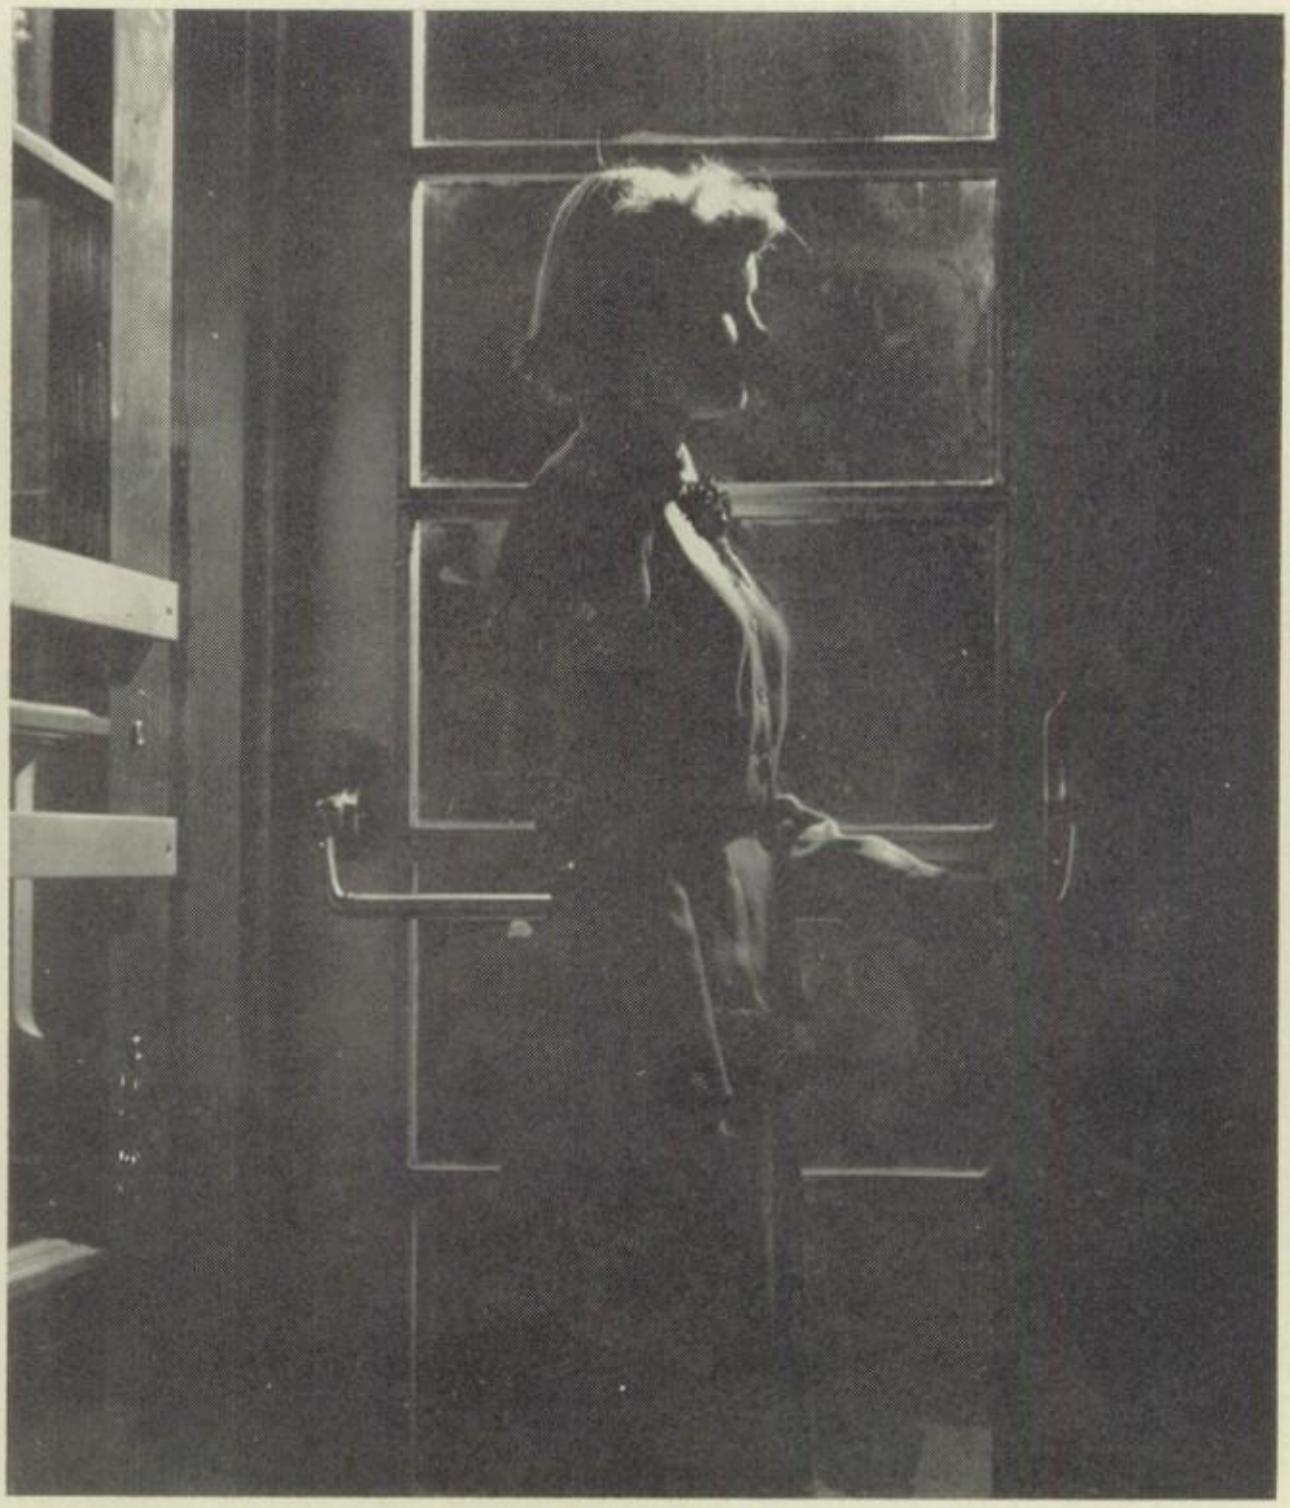
MRS. ELIZABETH REINHOLZ

To one who has devoted, so unselfishly, her time and talent, we dedicate this Beloiter. There are few people so gifted with the wit and personality of our own Mrs. Reinholz.

With student and faculty alike she is loved and admired. All those who have come to know her, in one way or another, find her unforgettable.

It couldn't be with more pleasure or with greater sincerity, that we, the class of 1952, dedicate this Beloiter to you, Mrs. Reinholz.

foreword



High school days are about to become memories for the class of 1952. The time has come . . . In future years, pleasant pictures will form in our minds as we think of our classmates, our teachers, and our studies. The purpose of this, the 1952 BELOITER, is to serve as a record of service given to the school, to call to mind the many phases of school life.

The theme . . . Once Upon A Time . . . has been selected because, just as some of the earliest stories we recall from childhood are fairy tales, so the majority of the memories of our youth will be those concerning school days.

Each of us has written his own record at Memorial High. Many of them are excellent. The twelve years of schooling which we are now completing are the platforms upon which our future lives will be constructed. We have had the opportunity to learn presented to us on a silver platter. We are now ready to build these foundations—probably all of us in different ways and with different results. What is important is that we ever broaden our knowledge; that we realize that school has been the tool used to awaken this desire within us; that we ever strive to improve and to write new and better records. As you turn the pages, think over your school lives . . . as seniors, juniors, sophomores, and on back . . . those happy days . . . Once Upon A Time.

The Valedictorian of the Class of 1952 is Jean Carolyn Hazeltine, who is the daughter of Mr. and Mrs. Claron S. Hazeltine, 1315 Portland Avenue. She attended Lincoln Junior High School. Jean has earned a straight "A" (4.0) average during her four years in high school.

Jean has been active in Forensics and Y-Teens in which she has participated three years, serving as Vice-President in her senior year.

She plans to do church work in the future.

Other Ranking Graduates

In addition to the two top ranking graduates, the following students complete the list of the ten highest in their class: James Bader, Elizabeth Behling, Robert Blum, Tamsin Davids, Virginia Daws, Georgia Edmundson, Diane Fink, and Marilyn Saga.

(Left to Right) President, Roger Cary; Secretary-Treasurer, Karla Michelke; Vice-President, Frank Clarke.

It is almost unbelievable that we, the class of 1952, have completed our Senior year and are now graduating from Memorial High School.

It was less than three years ago that we entered the old school as eager, but slightly frightened Sophomores. The time since then is crowded with memories—Columbia hall, pep sessions and games, the annex, formals, studies, plays, concerts, and "the big move."

As Wee Sophs, we elected as our class officers Danny Green, Roger Cary, and Carol Jean Sweeney—president, vice president, and secretary-treasurer. Our biology classes traveled to Chicago and we chose whether we wanted to explore the Field Museum or the Museum of Science and Industry. We can't forget the carnival, or the big basketball game when we lost to Wauwatosa in the state tournament by one point.

In our Junior year the class officers chosen to lead us were Danny Green, Terry Polaski, and Pat Corbit. We selected our class rings and showed them off with pride. Then we moved to the new High School. An all school election was held in the spring for our student council leaders and we elected Danny Green, Fred Gobel, and Jackie Stevens. Kathryn Fenne and Marcus Hanson reigned as king and queen at the Junior-Senior prom held in the big gym.

Roger Cary, Frank Clarke, and Karla Michelke were our Senior class officers. Head editor of the Increscent was Don Riedell and Carol Jean Sweeney headed the Beloiter staff. Tarzan Honor was chief hall monitor. The state student council Convention was held in Beloit, and what fun it was making preparations for it. Two plays highlighted the year, "Cheaper by the Dozen" and our own Senior class production, "Our Town." All this we remember.

And we, the Senior class, hope that the school years of future classes will be as enjoyable as ours have been.

ROW 1—left to right—Beth Addoms, Shirley Nicholls, Mary Addoms. ROW 2—Jim Bader, Jerry Holmbeck, Don Challoner.

We felt that in some way we would like to have everyone appear in our book, and so, the purpose of this picture is to try and do exactly that. Mary and Beth Addoms joined the Senior Class of Beloit High in January coming from Hinsdale, Illinois. They made many new friends right away with their wonderful personalities and their seemingly endless supply of vim, vigor, and vitality.

Shirley Nicholls arrived in January from Ordfordville. She's a quiet little lass with a sweet and gentle manner. 'Tis said people with red hair have tempers—how about that Shirley? We think not!

Don Challoner, a member of the Junior Class, would like to join some branch of the armed services, preferably the army. Jerry Holmbeck left Clinton and joined the Sophomore Class of Beloit High. He likes all sports, especially hunting. He's rather quiet but a fine fellow and a proud addition to our school.

We're happy we had the chance to know these people even if it was for so short a time.

Jim Bader is one of the few students who has completed his Junior and Senior year in one. Along with carrying these extra subjects Jim found time for extra-curricular activities and he also has a job. Jim is a memberof the National Honor Society, and we think that speaks for itself. He is also in student council and has been very active in R.O.T.C. Nice going Jim!

Those not included in above picture: Norman Green, David Spohn.

Those not included in Senior Section: Ronald Barton, Richard Bunker, John Crowley, James Horan, Donald Kilbey, Thomas McGlaughlin, Franklin Payne, Jim Pete, Danny Rampenthal, Mary Shea, Marilyn Spangler.

(Left to right) President—Frank Wong, Secretary-Treasurer—Pat Larson, Vice-President—Pete Samuels.

We, the class of '53 find ourselves in that intellectual no-man's-land called the Junior Year of high school. It is a wonderful place to be, and we are all sorry to leave the marvelous times we have had this past year.

In the beginning of this year, we elected Frank Wong, Pete Samuels, and Pat Larson to uphold the responsibilities of the class.

Our first big project was that of selecting a ring. A ring was chosen from 20 samples. The class officers and 4 members of the Junior Class, Rosie Kinsey, Pat Archambault, Frank Parker, and Gordon Gower made up the committee.

Because the State Student Council Convention was held here in Beloit, all of our student council members had a chance to meet with other representatives from many parts of the State for the exchanging of ideas and the consideration of common problems.

During Eastern vacation, a group of Juniors and Seniors went on a three-day railroad sponsored tour of Washington, D. C. Juniors who took the trip were: Gerald Grimshaw, Don Lenthart, Arlene Masear, Richard Mott, Jackie Seaman, Dennis Schomber, William Strong, Shirley Swanson, Bill Voss, Mary Willoughby, and Bill Yaeger.

Those students who went reported the trip was both interesting and educational. They would urge everyone to go next year if such a trip is conducted again.

To the tune of "April Showers", which carried out the chosen theme, Jerry Werle, Junior King, and his queen Pat Archambault, lead their court, Pat Larson and Chuck Hogan, Diane VanCleave and Gordon Gower through the evenings performance with the help of the senior royalty.

Although we have been busy this year, we will have to step up our pace in order to make our senior year one of the most successful.

Our goal of being Sophomores was finally reached. The first few days were days of excitement and amazement which opened the door to a lot of new fun. We could see many a Sophomore with his eyes wide open, taking in every last detail. After a few days we all felt just about as much at home as the Juniors and Seniors.

The school year started with many activities and in a few weeks we elected our class officers. They are: Fritz Grutzner—President; Wes Mason—Vice-President; and Gerry Purnell—Secretary. Soon everycne began joining clubs. These extra curricular activities helped make our school year interesting. One of the highlights of the year that was new to us was our glorious homecoming. Sharon Vogt and Gerry Purnell were chosen to serve on the queen's float.

Now with the school year almost at its end we are taking everything in our stride. Always glad for a few days of vacation, but not too sad to get back. We all hope our next two years will be as successful as this one has been.

The class of 1952 is the first graduating class in Beloit to spend one entire year in the new Memorial High School building. The completion of this beautiful building is the culmination of years of thought, planning, untiring effort, and the expenditure of much material wealth by all the citizens of our community to express their faith in the value of education for our young people.

May the experience of this one year in surroundings that are beautiful and attractive, in physical facilities which have been most effectively planned for efficient work, and in the use of which there can be the highest degree of pride of ownership, give you additional inspiration to set for yourselves throughout your lives high standards of achievement in your work, your business and social relationships, and in your personal values.

You are to be congratulated upon completion of this step in your education.

"Knights of the Round Table"

In addition to handling the Wisconsin State Student Council Convention this year, the Memorial High School Student Council has been very outstanding in that it has completed various projects and has solved various student problems throughout the school year.

One of the highlights of the year was the production of a Student Directory which contained the names, addresses, and telephone numbers of all the students according to classes. The directory was published for the first time last year.

Several Beloit-Janesville exchange meetings were held in order to better inter-school relationships. The continuance of the Honor Study Halls, which last year were still in the experimental stage, proved very successful this year. Another project was the establishment of a noon-hour recreation program. Under this program movies were shown to the students twice a week for a reasonable fee.

Representing Beloit at the State Youth Conference in Eau Claire were: Gerald Werle, Pat Larson, Frank Wong, and Fern Green. Frank Wong, who was elected as next year's State Student Council President at the State Convention here this fall, will attend the National Student Council Convention at Evanston, Illinois in June.

"Treasure Seeking"

Everyone is proud of their annual, and we are especially proud of our own BELOITER. An efficient and capable staff is necessary to produce a good book. People must be willing to work and give up a lot of their extra time. This year our staff was headed by Carol Jean Sweeney as Editor and Karla Michelke as Associate Editor. The whole staff worked hard to produce the right kind of a book. Mr. Elmer Terwedow deserves a great deal of appreciation and praise for his patient, kind, and understanding guidance in helping produce this book. Our deep appreciation goes also to the Rockford Illustrating Company, the Beloit Daily News, and the National Book Binding Company of Stevens Point. Without their help and consideration we would have run into many more difficulties.

"All Day Long I Have Been Working"

This is an important part of our book and was headed by Fred Gobel with Norm Sadler as his assistant. Fred and Norm, with their staff, worked hard and "pounded plenty of pavement" getting subscriptions for ads. Without this important staff it would be impossible to produce a book.

Quote—"Publishing the Truth"

Work, wonder, worry, and wait, the 4 W's of journalism, were adopted as the motto of the 1952 Increscent staff. This is the second year in which the school paper has used the photo-offset method of printing. By the use of experimenting this staff has made possible an entirely new method and era of publishing in High Schools throughout the nation.

Much credit is due to the paper's advisors, Mr. J. H. Michna, and Miss Dorothy Dunn, whose editorial supervision made possible the Increscent's semi-monthly publication.

A great amount of credit is also due to Mrs. Emida Daws for her help in the art division, Mr. Harold Noreen and his assistant Dick Owens in the printing division, and to Mrs. Dorothy Teska and her advanced typing classes for their different method of typing under our new system.

"Legend of Mercy"

The completion of a number of useful activities has been carried out successfully by the Junior Red Cross this past year.

At Christmas time four cameras were given to the Spartan Children's Home and also aid was given to a needy family. During the Red Cross Fund Drive the members assisted the adult chapter by fixing milk bottles to be distributed.

Nancy Bradford and Peter Knutson will represent Beloit at the Natitonal Red Cross Convention in Cleveland, Ohio on June 22. Al represent Beloit at the National Red Cross Red Cross Training Center at Oconomowoc.

"Magic Mouthful"

Forensics is a marvelous opportunity for those wishing to use their speaking ability. Almost any student may find something he is especially fitted for in one of the seven divisions—extemporaneous speaking, extemporaneous reading, original oratory, non-original oratory, humorous declamation, serious declamation, and the four minute speech. A local contest was held in the fall for practice and experience. In the spring, the big contests begin. First, there is a local contest from which winners are chosen to go to the League Contest. The winners of this contest go on to the Wisconsin High School Forensic Association in Madison. Winners in the league contest included Mary Addoms, Mary Kay Dennis, Donn Johnson, Jim Lake, Jackie Seaman, Fred Gobel, Carol Jean Sweeney, and Karla Michelke. District winners were Jackie Seaman, Fred Gobel, Carol Jean Sweeney, and Karla Michelke, and state winners were Carol Jean Sweeney and Karla Michelke.

"Power of Words"

After a lapse of two years, the Debate Club has reorganized. This Club is designed to give students a working knowledge of the fundamentals of debate and to provide for practical training in public speaking. The club also offers opportunities for meeting students from other schools and develops social relations. A series of intra-schools debate tournaments are arranged each year.

An unusual characteristic of this club is that its meetings are held at the homes of members, rather than within the school building.

At the beginning of the school year, many students volunteered to offer their services to the school by serving as a hall monitor. These monitors were stationed at strategic points in the halls throughout the building and were concerned with the duties of checking hall passes, caring for lost and found articles, assisting visitors and new students, and other important errands.

The monitor system required approximately eight students per school hour each day to render services. A desk was available for each monitor so that studying was possible when not actually busy with duties.

"An hour a day given to a good cause" might have been the motto of the office girls who worked in the office one hour each school day. With the assistance of the office clerks, Miss Sylva Rasmussen and Mrs. Marilyn Halstead, they collected attendance slips, checked class absences, operated the switchboard and performed any tasks which were of service.

"When I Think of the Happy Days"

Opening the year with the annual Sophomore Tea, the Senior Y-Teens has had one of its most successful years. Meetings were held at the Y.M.C.A. and also several potluck suppers. At Christmas time a party was given for a group of unfortunate children. Our advisor, Miss Mary Lou Germann did a very good imitation of "Santa Claus." The members purchased gifts for the youngsters with the proceeds from a "Sock Hop" sponsored by the club itself.

After the new year, the members participated in the annual Y-Teen children's play and the Masquerade Ball. As a service project the members have taken complete responsibility of redecorating the Y-Teen Room at the Y.W.C.A.

"Bag of Smiles"

Junior Y-teens started their successful year by working with the Seniors on the traditional Sophomore Tea and Style Show.

Among other events the club participated in this year were decorating the Y.W.C.A. and "Hanging of the Greens," selling Christmas Cards, furnishing "Chocolates for Christmas" to send overseas and a pot luck supper.

Many enjoyed participating in "The Princess and the Swineherd," our play given for children this year. We also enjoyed and benefitted from movies and a talk by a college student on a subject of interest to high school girls, and a talk and demonstration by Mrs. Curtright on make-up color, and type for you.

Assisting with the Dress Up Dance at the Country Club and the Senior Farewell were our final projects.

"Getting to know ourselves," was our theme, and Delores Reppert our advisor helped us greatly in this way with informal meetings and chats with her at her home. Thanks too, to Helen Drews for all her help and advice through the year.

The first meeting of the Sophomore Y-Teens was held October 24th at which the officers were chosen. Meetings were held every Tuesday night at the Y.W.C.A. The purpose of the club is to learn how to associate with girls in the same age group and to learn how to conduct one's self in a social group.

The club has participated in various events throughout the year as the "Hanging of the Greens," the annual Y-Teen children's play, and the Masquerade Ball. On meeting nights "splash" parties were held and movies were shown.

In the fall, the Sophomore Tea was given to open Roll Call Week and to welcome all Sophomore members. In March, the annual Y-Teen Children's Play, "Princess and the Swineherd", was presented, with Betty Ann Craddick, a Senior Y-Teen directing. Proceeds from the play went into a scholarship fund which annually is used to present a scholarship to a worthy senior member at the Senior Farewell.

A project undertaken for the first time was the Masquerade Ball held in March at the Country Club.

On December 22, the annual Christmas Dance, the "Hi-Ball", was held at the Y.M.C.A. In March the annual "Soc Hop" was held. The dance was unusual in that for admission the right foot of each person was measured and they were charged five cents an inch.

Proceeds from various activities were used in the following ways: presentation of dance records for the Community Room in the high school, a scholarship of fifty-dollars to a deserving senior boy, and contributions to the "Y" World Service Fund which is used to serve the youth the world over.

"Mirrors of Make-Believe"

Again Junior Theatre, one of the largest clubs in school, came through with another successful year. Since everyone cannot participate in all activities at once, certain groups joined in all sorts of events held during the school year. Among these events were a series of one-act plays put on by the members before school assemblies and church groups. The plays presented were "The Trysting Place" and "Trifles," the latter having been presented at the Wisconsin Forensic League Drama Contest where it received an A rating.

This year for the first time the club presented an all-school play, "Cheeper By The Dozen" which proved to be very successful. Proceeds from the play were used to purchase uniforms for the stage crew, light bulbs for the stage scrim, a make-up box, and make-up.

"Door To Enchantment"

Library Club is a service club whose main purpose is to serve the students who come to the library.

In September, a call went out to the entire student body asking for help in the library. From those who volunteered, a group of about fourteen was chosen. These people give up a period a day of their time to check books in and out of the library, writing notices, getting books ready for the shelves, filing cards, and doing all of the many tasks assigned.

In order that the members of the club would not suffer from the experience of all work and no play, two social meetings were held outside of school time. One was a Christmas party and the other a picnic.

"Seeds of Gold"

Consisting of boys who are interested in agricultural work, the Future Farmers of America wish to make the farms of tomorrow better and more profitable. The F.F.A. is affiliated with the National Vocational Education Act.

As a major project this year, the boys planted about 3,000 pine trees for conservation purposes.

The Beloit Chapter of the F.F.A. has approximately 30 members for the 1951-52 school year. Two delegates, Paul Hormig and Donald Kirkpatrick, represented Beloit at the F. F. A. Convention on the Lawsonia estate at Green Lake, Wisconsin.

An outstanding Future Farmer member, David Lang, also attended the convention at Green Lake where he received the Wisconsin Farmer Degree. This degree is given on the basis of determination, scholarship, and farming projects.

"Magic Ladder"

The apprentice program is a new one introduced this year, as an experiment, and has proved very successful. Next year this program will be expanded and new types of apprentice courses will be introduced, such as; drafting, foundry work, pattern maker, welding, and diesel technician. This course is open to Juniors and Seniors and is a wonderful opportunity. The boys program alternates with one week at school and the next at Fairbanks. The week the Juniors are at school, the seniors work at Fairbanks, and vice-versa the next week. They receive school shop credit for working to round out their programs for graduation. Courses taken by the Juniors at school include: English, mathematics, and history. The Seniors take American Problems, physics, and have the opportunity of selecting one elective which is to be arranged through co-operation of the high school and the vocational school. Each of these classes is two hours long each.

Apprentice training runs three or four years with Fairbanks, Morse & Company, and the boys are paid while working. When they have finished, they are classified as skilled machinists with a high salary. This program makes it possible for college entrance if they so decide. A boy with college ability has the opportunity to enter the Fairbanks Morse co-operative engineering program. This year Jerry Reimer entered this program.

The apprentices are as follows:

homecoming
dream that came true

The 1951-52 homecoming was one of the greatest in Beloit High School's history.

To start the homecoming day off students were dismissed from classes to work on floats for the parade.

The homecoming committees headed by Roger Cary, had difficulty in obtaining a parade since our present building is located a great distance from town. A group of students composed of Dan Green, Bernie Long, Pat Corbit and Frank Wong had a conference with school officials and police representatives. In the meeting the committee formed plans for the parade.

About 25 floats paraded through town and around the stadium before the game.

Queen candidates, Karla Michelke, Rita Rouselle, and Jean Dennis were voted on by the students, with Miss Michelke being elected Homecoming queen for 1951-52. At half-time student council president Dan Green crowned queen Karla while the court of Gerry Purnell, Sharon Vogt, Pat Larsen, and Pat Archambault looked on with appreciation.

A dance sponsored by Senior Hi-Y, who earlier had won the prize for the best float, was held after the game. Beloit won easily. Theme of the dance was "Welcome Alumni" which was a huge success.

taft and arlen

A very important figure in the entire world of politics, and a candidate for the Presidency of the United States, is Senator Robert Taft of Ohio. Senator Taft stopped at Beloit High while touring Wisconsin in seeking the nomination for president. Senator Taft stated his views of U.M.T. and stated his policy for the governing of this country. He later permitted students to ask questions, and was interviewed by representatives of the high school paper.

In October Mr. Richard Arlen visited the high school auditorium and spoke to the members of the Senior English and dramatics classes. The students gathered backstage, where Mr. Arlen spoke and told of his experiences in making pictures. After his talk, students were invited to ask any questions they had in mind concerning the movie industry. After this, Mr. Arlen, complete with a police escort, left Memorial High School.

student council

UPPER LEFT—State officers discuss convention. LOWER LEFT—State president Frank Wong receives congratulations. UPPER RIGHT—Delegates register for housing. MIDDLE RIGHT—Students attend discussion groups. LOWER RIGHT —Lunch is served to state students.

The Beloit High School Student Council was host to the 17th Annual State Student Council Convention on October 19-20.

The Council started work on the project at the beginning of the school year. Mr. Seymour Provus, the Council advisor, first laid out a rough draft of plans for the event. Later, committees which met and planned the Convention together, were chosen.

The Convention began with the registration of delegates and housing being assigned. Later, an assembly was held for the delegates and speeches were given by a number of guests. A luncheon was served and in the afternoon, discussion groups were held. In the evening a banquet was held with a dance following. The next day, state officers were elected, with Frank Wong of Beloit being elected President of the State Council. Later, an assembly was held and the convention was adjourned.

The convention was a huge success, and a great deal of praise was given to the Beloit Council.

student council

The State Student Council Convention was planned by a group of committees headed by student advisor, Mr. Seymour Provus. Committee chairmen for the different jobs of planning the Convention were picked by the council. Those elected were: Frank Wong, Karla Michelke, Fred Grutzner, Bernie Long, Jim Lake and Council officers, Dan Green, Fred Gobel, and Jackie Stevens.

The committees fall under the headings of: meals, entertainment, speakers, banquet, housing, dance, publications, and correspondence.

Perhaps the largest task was that of finding homes for some 500 delegates. Jackie Stevens and her committee made all necessary arrangements, with the splendid cooperation of student body, faculty and interested citizens of Beloit.

The job of obtaining speakers was taken over by Frank Wong and Jim Lake made arrangements for the dance. Fred Grutzner worked on the correspondence, while Dan Green obtained entertainment. Bernie Long secured old printed matter and took care of publicity, and Karla Michelke worked out the entire menu for the banquet, as well as all arrangements for it.

These committee chairmen with their assistants and faculty members planned the entire convention, which was an outstanding success.

For members of the a cappella choir, the 1951-52 school year was one of the busiest in the history of the organization. Between their opening appearance and the final Baccalaureate service, members individually, in ensembles, or as a complete choir presented some 40 programs in the community. The Christmas concert—"The Prince of Peace"—was successful in every respect. Members of the choir matured during their months of study and practice, so that by the time they presented their spring concert they were able to reach remarkable heights in their performance. The blend of voices, purity of tone, fine dynamic control, and clarity of diction in the '51-'52 choir mark that group as one of the finest Beloit has ever had.

orchestra

"magic fiddle"

Throughout the year, the members of Beloit High Orchestra have worked together to develop their own musicianship and to learn to work together as a group. In the early part of the year, a great deal of time was spent drilling the fundamentals of playing so necessary if the final result is to be good. Private study in violin was carried on under Mr. Robert Tuck two days each week. The other three days were spent in string rehearsals with the violins, violas, cellos, and basses playing together. Later in the year extra rehearsals were called during noon hours and in the evenings with the entire orchestra to prepare for the concert. This year, as part of the concert held May 13th, the orchestra played Von Flotow's Stradella Overture, Sunrise at Sea by Demarest and Mozart's Ave Verum Corpus with Mr. Henry De Bruyne as featured soloist.

Also, a pit orchestra was organized to play more modern numbers. This orchestra performed for the P.T.A. and before curtain time and between the acts of "Cheaper by the Dozen." Such a group was really an experiment—the first time that facilities have made possible a venture of that type.

Again as in past years, the group traveled out of town to present selections from their concert. Such trips are taken to put the final polish on numbers for the concert itself.

Orchestra members spent much of their time preparing for the ensemble contest in which they competed to gain experience as well as the opinions of the judges who can help them. They also took part in the High School Music Openhouse Festival — combining with Junior High groups, held May 27th.

Again Memorial High School band members, under Director Don Cuthbert, have put in a full year crowded with music, marching, learning, and fun. In the fall the band traveled to Janesville with its formation salute to the Parker Pen Company. During half-time they presented their candidate for queen of the Beloit-Janesville game—naturally enough, the lovely (?) Mitzi Boomschnogle. Both the marching band and basketball band added to our games by performing difficult formations and by providing music during half-time. This is the first year that the band has had its own football field on which to practice formations.

At Christmas-time, a party was held in the Community Room, where members danced and listened to Arbogast. Too bad there wasn't more food!

As might be expected, the high point of any year is the annual concert—this year presented in our new auditorium on March 23rd and 25th. Included in the program were the Finale from the New World by Dvorak, Euranthe-Overture by Von Weber, and featured were Ted Streseman and his accordion, a trombone quartet, and the Revolutionary Overture which was conducted by Ron Bjorklund. The trombone quartet also gained distinction by broadcasting on Beloit Night from Station WROK in Rockford.

April proved to be a landmark. Band members proof-read the music which accompanies the Beloit High School formations which are being published. Such fine experiences are worthwhile for the growth they provide in musicianship and for the fun that goes with it.

An exchange concert was held with Janesville, and the student bodies from both schools responded enthusiastically. Also in April, Ron Burdick was chosen to play with the Navy Band which presented and excellent concert here in Beloit. Final school weeks were spent in the polishing of solos for the solo ensemble contest.

We salute our music instructors for helping us to arrive at mature attitudes while instilling the love of music within us.

"sweet and low"

An organization which was added to the music department in the latter part of 1950 is the dance band. Originally organized by Mr. Cuthbert, the band now has Lewis Dalvit as its advisor, with Ron Burdick as its general head, and Jeannine Krueger as vocalist.

During the school year swing band members met almost every Wednesday evening from 7:30 to 9:30 to practice for Friday night dances. In April, they traveled to Milwaukee to hear Stan Kenton. Later, they went on tour with the orchestra.

NEW RADIO SHOWS

Something new has been added! For the first time, two radio programs broadcast each week from Memorial High, made possible through the fine facilities of the school. Originally planned and started by faculty members and students, with the cooperation of Mr. John Rhodes, manager of WGEZ, "High Time" went from dream stage to reality. Program-time was extended from fifteen to thirty minutes and all broadcasts are "live" where previously they had been tape-recorded. During the year special features have included scenes from plays to be presented, spot descriptions, music groups, selections from forensics, panel discussions, and individual students and faculty members.

The disc-jockey show heard for the first time on February 13 was also organized to give students an opportunity to gain experience in the radio field. "High Time" presented school news and special features and the "Juke Box" made it possible for students to play their favorite records on the air. Students who have taken part in the engineering, directing, and announcing of the programs include George Thomas, Frank Parker, Jack Farina, Peter Knutson, Dick Griffis, Jim Birkholz.

Pictures of these programs in action may be found in chronology, and at the end of the sophomore section.

This year the rifle team entered the four stages of the Fifth Army Arca Intercollegiate and Interscholastic Rifle Match and the William Randolph Hearst Trophy Match. The team fired pistol matches with the Champion Jesuit School and the Missouri Military Academy. Shoulder to Shoulder matches were fired with Kenosha and Company L of the National Guard.

military ball

This year the annual R.O.T.C. Military Ball was held at the Beloit Memorial High School, February 23, 1952.

A red, white, and blue canopy of crepe paper was set off by a huge revolving "Flaming Torch". The official insignia of R.O.T.C. was in huge letters on one of the walls.

All couples were greeted as they arrived by the traditional receiving line, which included Capt. and Mrs. Heath, Sgt. and Mrs. Smith, Sgt. and Mrs. Golden, Mr. and Mrs. Everill, Mr. and Mrs. Carroll, parents of Cadet Major Terry Carroll, who escorted Karla Michelke, and Mr. and Mrs. Tuck, parents of Battalion Sponsor Janice Tuck, whose escort was Jack Farina.

During Intermission, the McNeel Rifles led by Capt. James Resler, gave an excellent exhibition of drills, rounded out by demonstration of teh Queen Ann Drill.

The Tribune Awards were given to Capt. Bill Shogren, and Sgt. Bob Bartholomew.

Then came the Grand March, which was led by Major Terry Carroll, and the Battalion Sponsor, Major Janice Tuck, and followed by the company commanders and their Sponsors. All the couples circled the room in formation and then passed through the Arch of Sabers.

ROBERT RENSBERGER

dedication

To Coach Robert Rensberger we dedicate this section of the Beloiter.

In the five years that he has been at Beloit High School, Coach Rensberger has worked constantly to teach his boys that good sportsmanship comes first, and the importance of winning—second. We respect any man who sets such a high standard and then sticks to it.

ROW 1—(left to right) B. Bolgrien, R. Kreinz, G. Gower, R. Brewer, F. Clarke, R. Wells, P. O'Neill, T. Pratt, D. Gupton, T. Honor, G. Foster. ROW 2—P. Samuels, T. Murphy, W. Bradford, D. Edson, W. Watson, D. Rindfleisch, M. Hansen, K. Shockley, H. Oldenburg, J. Stewart, D. Christofferson, L. Bradford, R. Cary. ROW 3—Coach Currier, G. Vance, D. Wilson, D. Bach, R. Brewster, R. Bartholomew, K. Taylor, D. Plencner, P. Heiman, C. Van Horn, J. McCarthy, O. McLain, J. Walters, H. Gupton, Coach P. Nee.

In spite of the fact that there were only seven returning lettermen, Coach Currier again developed one of Beloit's winning football teams. Although experts predicted that Beloit would do no better than 4th place, the team developed into the "dark horse" of the conference and ended the season in a tie with Horlick in 2nd place.

With only a year of experience as head coach, Ken Currier guided his team to 6 victories and only 2 defeats. Frank Clark and Pat O'Neill were co-captains, and Tarzan Honor was voted the most valuable player of the year by his teammates.

These same three men received All-Conference berths, Frank and Tarzan on the 1st string and Pat on the 2nd team. Tarzan had the highest score in the conference, accounting for 54 points, while Pete Samuels scored 19 points after touchdowns, to lead the conference in this field.

The team was made up of co-ordinated brawn and brain that was a pleasure to watch, and Beloit High School can swell with pride over the Purple Gridders of the fall of '51.

With a neucleus of experienced players back next year, we hope that another winning squad will be chalked up to the credit of the swell coaching staff.

BELOIT 34
RACINE PARK 0

Coach Currier's Gridders made a smashing win over Racine Park in the first Conference game. Again it was Beloit's superior offensive and tight defensive strategy that won.

Early in the game Dick Gupton drove 50 yards to score. A series of 1st downs and Park tried a pass was intercepted by Gower, who later pitched the ball to Clark for another TD.

In the 3rd quarter Dick Gupton made another fine run. Sharp defensive play by Harry Gupton intercepted a pitch-out and scored for Beloit. Samuels converted for the 4th straight time, and Tarzan Honor scored the final TD for Beloit.

BELOIT 25
ROCKFORD EAST 0

The Purple Gridders opened their '51 season with full display of power. Beloit completely dominated the E. Rockford game, both in defense and offense. At the beginning of the 2nd period a pass from Gower to Clark gave Beloit their first score.

In the second quarter Gower passed to Clark again, and to LaVerne Bradford for the second and third scores. Beloit's final score came in the 4th quarter with Tarzan Honor making the touchdown.

BELOIT 0
KENOSHA 20

Beloit lost its first conference game to Kenosha's Homecoming enthusiasm. The Redmen picked up two 1st downs and then went on to score on an intercepted pass from Gower to Clark. The two teams battled on even terms the rest of the half, when the score remained 7-0.

In the second half the Redmen scored twice more, due to interceptions of Beloit passes, and Beloit suffered its first set-back with Kenosha ahead 20-0.

football

BELOIT 27
MADISON CENTRAL 0

A scoreless tie at the end of the first quarter showed a fine brand of defense on the part of both teams.

Early in the second quarter a pass from Gower to Clark started the Beloiters scoring. With only 50 seconds remaining in the half, another pass from Gower to Clark again scored.

During the second half Tarzan Honor seemed to be all over the field, and every play counted toward a score for Beloit. A 71 yard drive from the 8 yard line again scored. In the final quarter Tarzan intercepted a pass, and set up a touchdown which Don Wilson completed for the final touchdown. The game ended happily for Beloit, proving the superior skill of the Purple gridders.

BELOIT 21
RACINE HORLICK 33

Beloit was knocked out of undisputed second place when all-conference quarterback Rod Hermes of Horlick completed 8 out of 14 passes for a gain of 111 yards. At the end of the half Horlick was ahead 21-0.

Beloit came to life late in the third quarter when we scored on a pass from Gower to Brewer. Samuels converted. Interest in the game increased when Gladney went 21 yards through the center of the line for a second touchdown. Samuels converted. La Verne Bradford returned a 61 yard punt for the final touchdown with Samuels converting.

Time ran out for Beloit, leaving the Purple squad on the loosing end of a 33-21 score.

BELOIT 31
MADISON EAST 6

The Purple gridders again romped to victory, showing flawless form in defense, and a sparkling offensive against Madison East. Tarzan's fine running and Gower's "pass precision" were a pleasure to watch.

Honor scored in the first quarter on a 23 yard tackle. After changing hands several times the ball finally passed from Gower to Clark, Samuels converted and the score was 13-0. In the 2nd quarter the battle continued, with East scoring. The score at the half was 13-6.

An intercepted pass gave Beloit the 3rd score with Samuels converting. Two more touchdowns in the final period gave Beloit the lead of 31-6.

Beloit 60
Janesville 7

Tradition says that a win over Janesville makes for a successful season. The 60-7 win to complete an already successful season placed the Purple gridders 2nd in the Big 8.

Tarzon's broken field running that seemed to place him all over the gridiron apparently bewildered the Bluebirds. In the first period Tarz scored 3 touchdowns, and at the half, Beloit led 32-7.

With the game in the bag, Coach Currier played every man on the bench, and as the Junior Varsity team was playing the Blue Birds 1st string, the Purple gridders were screaming for another chance to play.

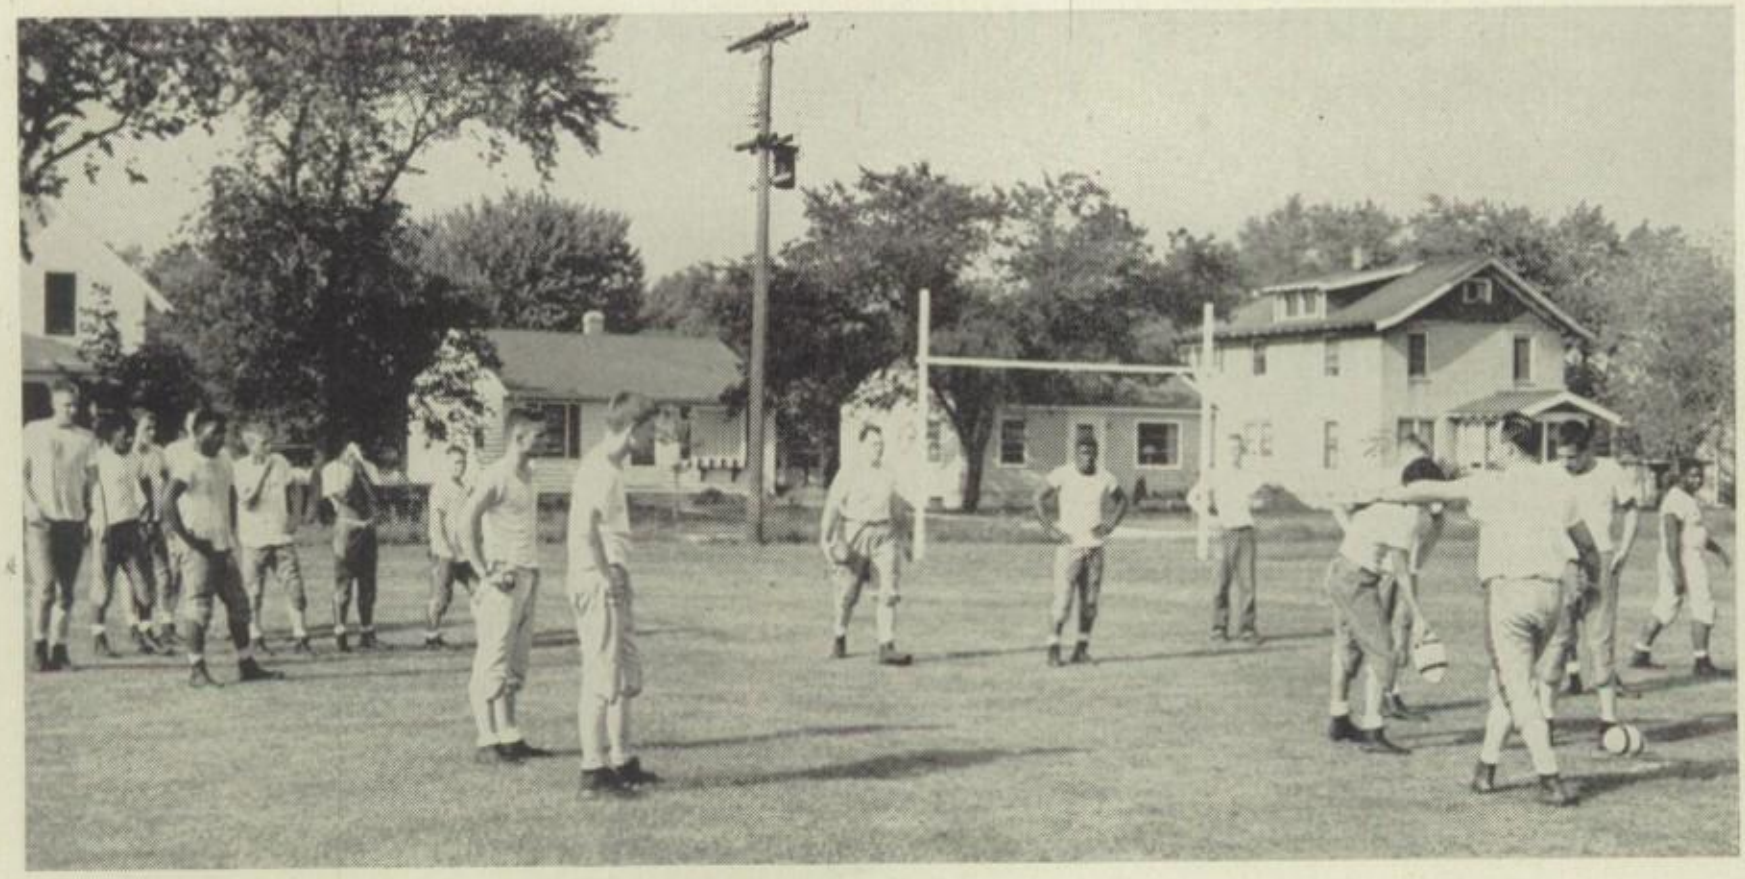
Beloit 26
Madison West 7

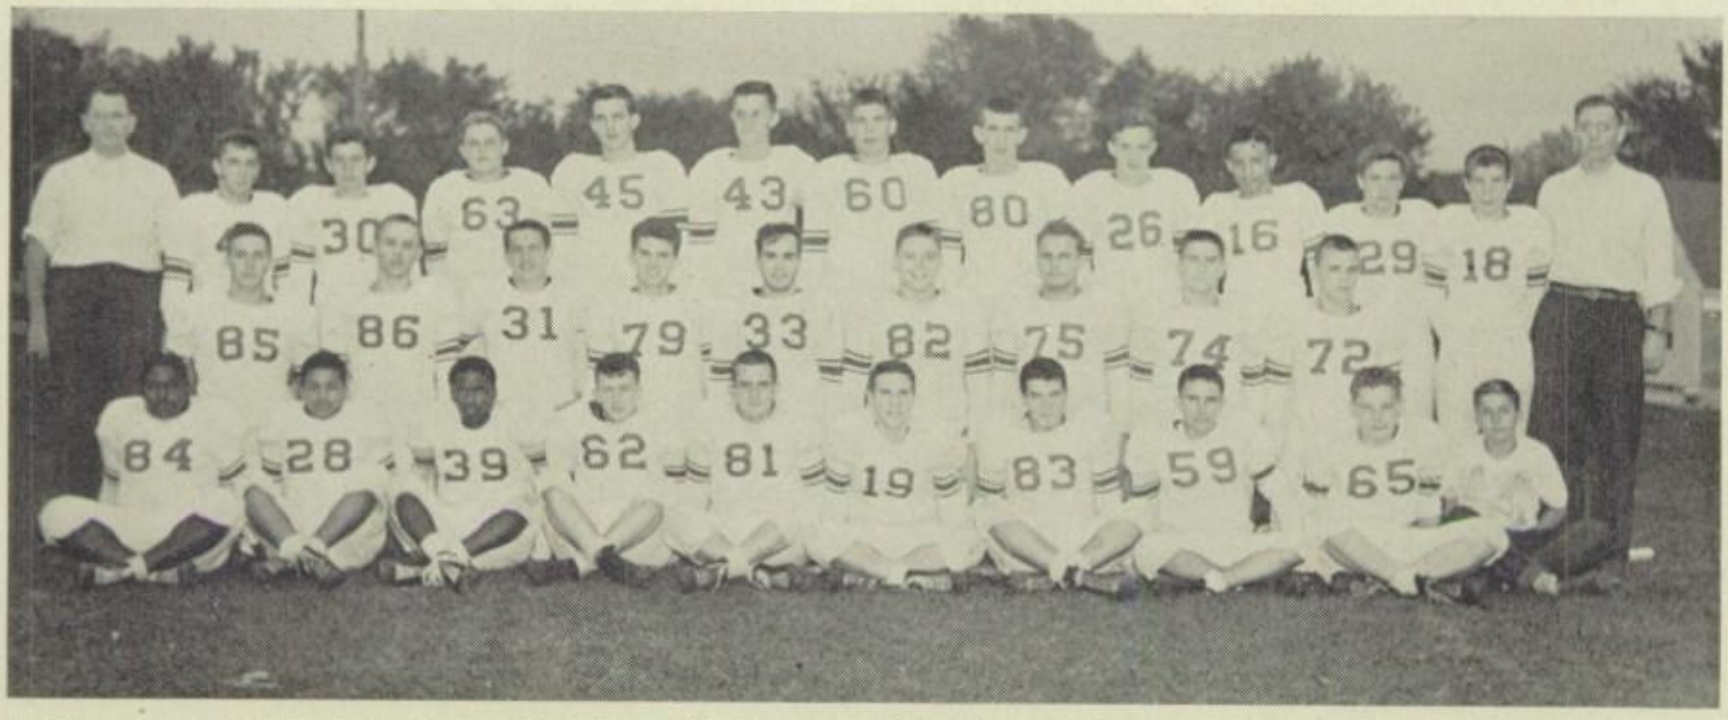
Brilliant plays in both defense and offensive brought victory again to Beloit Purple Gridders.

Honor gave Beloit a fast lead in the first quarter by picking up the ball on the 3 yard line for the first touchdown. Samuels converted. A series of short running plays again put Beloit across the Regent's line, ending the half 14-0 in our favor.

Both Purple fans and players were jolted when the Regents scored on an end run in the 3rd quarter. Honor then picked the ball out of the air and romped down the frosty gridiron for our 3rd touchdown.

In the final minutes of play Beloit scored the final touchdown when Jerry Vance passed to Bill Watson. The game ended with Coach Curriers Whiz Kids ahead 26-7.





ROW 1—(Left to Right) H. Gupton, D. Wilson, G. Vance, J. McCarthy, J. Walters, P. Samuels, T. Murphy, T. Christofferson, D. Bach, D. Snow. ROW 2—B. Bartholomew, D. Plencner, B. Watson, K. Shockley, C. VanHorn, K. Taylor, W. Oldenburg, P. Heiman, R. Brewster. ROW 3—Coach Hertenstein, G. Walker, A. Adams, A. Podwell, R. Priebe, D. Spitznagel, D. Johnson, W. Mason, C. Lamb, M. Bandy, K. Hanaman, J. Mays, Coach Haglund.

The Junior Varsity team finished the season with a record equal to that of the Varsity team; they were defeated only twice in the eight starts. Our boys lost once to Evansville and once to Milton in a game that was played in the rain. The success of this team can be attributed to the coaching of Mr. Haglund and Mr. Hertenstein, and to the hard work on the part of the players, themselves.

Some of the outstanding players were Jerry Vance, Joe McCarthy, Bill Bradford, Marvin Bandy, and Tom Christofferson.

The climax of the season was when Joe McCarthy made the touchdown that defeated Janesville 7-0.

We are looking forward to an outstanding varsity team next year when many of these boys will become members of the varsity team.

The Sophomore Football team, coached by Mr. Noreen and Mr. Zupsich, had a fast backfield and a heavy line, which accounted for their undefeated record for the season.

George "Pete" Foster started the season with the sophomore team, but as the season progressed, he was moved up to the 1st string on the Varsity squad.

Outstanding players were Ron Priebe, Jim Brabazon, Marvin Bandy, Dan Johnson, Charles Vinke, and Tom Christofferson.

ROW 1, (left to right)—B. Hanewall, D. Lenthart, M. McCarthy, D. Weeden, D. Green. ROW 2—E. Clary, K. Ocker, B. Waterman, J. Maris, M. Crowley, K. Martin, Coach Rensberger. ROW 3—J. Carlson, L. Saunders, T. Ellis, E. Fleener, T. Polaski, J. Brom, D. Grady.

Bob Resenberger coached the cross country team again this year. The season was not too successful, except that the boys did get excellent training in running. It must be remembered, too, that the cross country season comes at the same time as the football season, so many of the boys went out for the major sport.

Danny Green was elected captain of the Cross Country team by his "running" mates. Terry Ellis, a sophomore, showed much promise as the season progressed and along with Danny Green, was awarded a major "B". Minor "B"s went to Paul Grady, Ed Fleener, Joe Brom, Mike McCarthy, Don Showers, Mill Waterman, and Ed Clay, who was the manager.

basketball

ROW 1—(Left to Right) J. Carlson, M. McCarthy, D. Weeden, G. Gower, P. Samuels, C. Lamb, W. Mason. ROW 2—Coach Rensberger, R. Brewer, A. Nelson, J. Brom, E. Fleener, D. Grady, B. Watson, F. Clarke, Coach Noreen.

The Purple Varsity Basketball team was handicapped this year because of lack of height. With the exception of Beloit, every Big 8 team boasted at least two players who measured 6′ 4″ tall. The Big 8 teams this year played a better and faster brand of basketball than has been seen for many years.

In spite of the "lack of height" handicap we can be proud of our team because of their speed, spirit, scrappiness, and continued determination to fight to the end of the season. It gave us great satisfaction to be the first Beloit team in five years to beat Janesville on their own home floor.

Three seniors received honors at the end of the season. Frank Clark and Don Weeden were elected co-captains, and Paul Grady was chosen the most valuable player on the squad. Paul also made the largest percent of free-throws for the season.

Wes Mason deserves special mention. Beginning the season on the Sophomore squad, he bridged the gap and finished the season on the varsity squad.

Eight returning lettermen will form the nucleus for next years team. We all have great expectations for the 1952-53 Varsity team.

This year a new coach was added to the athletic department. The Junior Varsity team, formerly coached by the varsity coach, was given their own coach, Harold Noreen.

The schedule of the J.V. team included So. Beloit, Marengo, Belvidere, Rockford East, Rockford West, Freeport, and Hononegah High Schools.

Experience gained on the J.V. team prepared Samuels and Gower for spots on the Varsity team where they showed to excellent advantage.

J.V. will be expected to produce several 1st string men for next years team to replace those who are graduating this year.

Sophomore Basketball

The Sophomore Basketball team, coached by Mr. George Wittich, finished in 3rd place in the Big 8 Conference. The only teams to defeat these boys were Racine Park, Madison East at Madison, and Janesville, the last one in an overtime period.

Listed as outstanding on the team, Ronnie Priebe, and David Spitznagel, centers, Clifford Lamb and Charles Schultz, guards, Wes Mason and Bill Hanawell, forwards.

Mason started the season with the sophomore squad, but ended the season as a member of the Varsity 1st string.

A picture of the sophomore squad was taken, but thru unforseen circumstances was mislaid and a cut to print it has not been made.

Wrestling

For the third successive year Beloit won the Big 8 championship. At the sectional meet our boys won 2nd place, and three of our boys, Tom Pratt, Richard M. Wilson, and Arlo Hartley, went to the state meet.

Our team split dual meets

Tarzon Honor was elected captain of the team, and the outstanding wrestlers were Pratt and Hartley.

We are sorry, but the photograph of the wrestling squad has been misplaced along with that of the sophomore basketball squad.

The Beloiter goes to press before the end of the track season is finished. However, the track team, to date, has already broken several records.

At the Rock Valley Invitational track meet Beloit added up 108½ points against 73 points won by Janesville. Tarzan Honor, Big 8 conference titalist, leaped 21 feet 6¾ inches to eclipse the old record. The team of George Foster, La Verne Bradford, Frank Clarke, and Tarzan Honor won the 880 relay in the record time of 1:33.6,—knocking off 2.2 from the record set by Beloit a year ago.

The team is coached by Ken Currier and Paul Nee. Some of the outstanding track men are: Marvin Bandy, George Foster, Terry Ellis, Frank Clarke, La Verne Bradford, Joe McCarthy, Charles Gladney, Walt Stockwell, Marcus Hanson, Don Weedon, Bill Watson, Pat O'Neill, Bob Brewer, Tarzan Honor.

Mid-way through the season, the sports-writers predict that the championship of the Big 8 will go to Madison West with Beloit as a close runner-up.

Left to right, F. Grutzner, P. Samuels, D. Armstrong, D. Rindfleisch, T. Scott, N. Sadler, R. Upward.

Golf is one of the several popular spring sports. The squad was selected from the many participants in the sport when Coach Rensberger held an inter-squad tournament early in the season.

The boys showing much promise early in the season were: Ronny Upward, Doug Rindfleish, Tom Scott, Fritz Grutzner. Ron and Doug were on last year's team also.

Other members of the team are Pete Samuels, Dick Armstrong, Allen Podwell, and John Dutton.
